Garage Floor at Overhead Door:	898.90
Lookout Sill Elevation:	894.89

### SURVEY NOTES

- Subject property's address is unassigned.
- No elevations, either found in the field or on this certificate, should be used for construction without being checked against the benchmarks shown on this survey.
- No building information provided by this survey should be used without being checked against architectural plans. Use architectural plans for building construction purposes.
- Existing utilities shown are shown in an approximate way only. The contractor shall determine the exact location of any and all utilities before commencing work. They agree to be fully responsible for any and all damages arising out of their failure to exactly locate and preserve any and all existing utilities.
